

# **JAPN:311 Social Issues in Japan, Final Presentation**

By: Yuma Kaida

- I learned from the presentations helped me deepen my knowledge of the topic.
- I learned from in-class discussions that discussing it with other classmates help me know other people's opinions.

**What I learned from Group Works**

- Hokkaido and Okinawa and Japanese Peripheries
- Minorities and Immigrants

**Topics I Did Not Know**

- Competitive

**Key Words to Describe Japanese  
Culture and Society**

- This class showed detailed information and helped me realize the different issues in Japan that I did not know.
- This class gave me a good feedback on what is to expect in Japan with all of the issues that I learned in class

**Thoughts of this Class**
